

LUXY, DISHY, BOWLY, CUTLY

Il paradiso delle insalate pronte e del fast food. Contenitori con coperchio separato o incernierato in PET e OPS.

LUXY: contenitori di forma rotonda o ovale, disponibili in PET trasparente con coperchio attaccato e con pre-taglio (per facilitarne lo stacco e renderlo base da appoggio).

DISHY: contenitori di forma rotonda e quadrata, con base disponibile in PET nero e trasparente, con coperchio separato.

BOWLY: contenitori di forma rotonda, disponibili in PET o OPS trasparente, con coperchio separato di diverse dimensioni e volumi. Lo spazio interno può essere gestito con inserti standard o studiati ad hoc in base agli ingredienti da separare.

CUTLY: Forchetta e coltello in PS pensati e realizzati ad hoc.

LUXY, DISHY, BOWLY, CUTLY

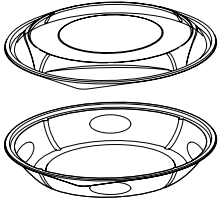

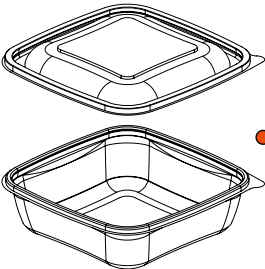

A paradise for ready-made salads and fast food. Containers with either separate or hinged lid, made of PET and OPS.

***LUXY:** round or oval shaped containers, available in transparent PET with hinged lid and pre-cut (to facilitate the detachment of the lid and using it as a supporting base).*

***DISHY:** round and square shaped containers, with separate lid base available in black or transparent PET.*

***BOWLY:** round shaped containers, available in transparent PET or OPS, with separate lid of various dimensions and volumes. The internal space can be arranged using our inserts or specifically designed according to the ingredients to be separated.*

***CUTLY:** PS bespoke knife and forks, specially conceived and designed.*
