SNACKY con CUTLY

Contenitori con coperchio attaccato o termosaldabile, in PET o OPS trasparente e/o con forchetta realizzato ad hoc.

Si consiglia l'utilizzo per i monoporzioni: dagli hamburger con patatine, alle insalate e ai sandwich.

MULTY: contenitori multiuso in PET trasparente. Si possono utilizzare per i pasti non solo pronti ma anche completi.

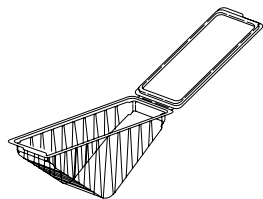

SNACKY with CUTLY

Containers with hinged lid or heat sealing, made of transparent PET or OPS, and/or with specially designed fork.

Ideal for single portions food: from hamburgers with chips, to salads and sandwiches.

MULTY: multi-purpose containers made of transparent PET. Can be used not only for ready, but for complete meals also.
